STD/FMLA Release of Information

We are pleased to assist you in completing your Disability and FMLA forms. Be advised there will be a 7-10 business day processing time frame, as well as a processing fee based on the type of form.

We understand you may have an urgent deadline for your paperwork and will do our best to accommodate; however all paperwork will be processed in the order that we receive it without exception. I understand that the processing timeframe does not begin until all required pieces of documentation have been received by Iowa Ortho, this includes a signed release of information, the forms requiring completion and payment in full.

If you wish to retain a copy of the form for your records, you may do so by requesting it through the patient portal. This is at no charge to the patient.

By law, we are required to have you provide us with a signed authorization giving your permission to disclose your information.
